

EUREKA COUNTY SCHOOL DISTRICT

PERSONNEL POLICIES GOALS

These policies are established to carry out the intent of the governing board to adopt uniform personnel policies that will enable each employee of the District to make his/her fullest contribution to the programs and services provided by the School District. Each employee is responsible for reviewing and complying with the District's personnel policies.

These policies do not supersede collectively bargained negotiated agreements with employee bargaining units. In the event of a conflict between a provision of these policies, and a collective bargaining agreement, the collective bargaining agreement will prevail.
