

CHOICE BOARD INSTRUCTIONS

Instructions for students:

1. MATH IS MANDATORY.

- Your math teacher will send you your weekly work separately.
- You can check off the box on this choice board as you complete your weekly assignments.

2. CHOOSE ONE OTHER ASSIGNMENT TO COMPLETE EACH WEEK.

- Some assignments may be eligible for grades in more than one class. Be sure to send completed work to all teachers listed in the box if you would like credit.
- If you think an assignment could “count” for a class not listed in the box, contact that teacher and ask if you may submit your work for credit in their class.

3. BOXES ARE LABELED BY CLASS.

- You may complete work for classes you are not enrolled in, but you will only get credit in the classes for which you are enrolled.
- If you are unable to complete all the work for all of your classes, you will **not** be penalized.

4. TURN IN PROCEDURES: Make sure your name is on your work, then EITHER

- take pictures of your work and email it to teachers; **OR**
- bring completed hard copies to the school on Tuesdays and give your work to Mr. Evans.

If you have questions, please email your teacher.

TWELFTH GRADE CHOICE BOARD

MATH (REQUIRED) May 4-7 <input type="checkbox"/> Check when complete	MATH (REQUIRED) May 11-14 <input type="checkbox"/> Check when complete	MATH (REQUIRED) May 18-21 <input type="checkbox"/> Check when complete	MATH (REQUIRED) May 26-28 <input type="checkbox"/> Check when complete
Each week, complete your math assignment and at least one additional assignment from the boxes below/next page .
