

EUREKA COUNTY SCHOOL DISTRICT

BENEFITS

Health Insurance

The District makes available to certain eligible employees medical, vision, and dental insurance under a group insurance plan. Dependents of eligible employees, as defined in the current plan booklet, are also eligible for coverage. In accordance with negotiated collective bargaining agreements, part of the premium may be paid from District funds. Employees must authorize a payroll deduction for any share of health insurance premium that is paid by the employee.

The specific terms and conditions of coverage are specified in the plan document for medical, vision, and dental insurance issued by the insurance carrier.

Life Insurance

A group life insurance plan is available to certain eligible employees.

Retirement

As defined in NRS 286, the District is considered a public employer and employees in positions considered to be half-time or more according to the full-time work schedule for at least 120 consecutive work days are covered by the Public Employees Retirement System. Details are available in Chapter 286 of the NRS.

Vacation: Leave is granted for certain eligible employees as provided in applicable collective bargaining agreements.

Holiday: Leave is granted for certain eligible employees as provided in applicable collective bargaining agreements.
