

EUREKA COUNTY SCHOOL DISTRICTLOCAL PURCHASING

The Board recognizes its position as a major purchaser in Eureka County and, while it is in the intention of the Board to purchase materials and supplies of quality at the lowest possible cost through widespread competition, if all other considerations are equal the Board prefers to purchase within the district from established local merchants.

The Board authorizes the agent responsible for district purchasing to award purchases placed in accordance with this policy and all policies of the Board otherwise applicable to local merchants when their quotation is competitive, freight charges are a factor, maintenance service may be required, or promptness of delivery is a consideration, provided that all statutes pertaining to public purchasing are duly observed.
