

EUREKA COUNTY SCHOOL DISTRICT

TRANSPORTATION: USE OF PRIVATELY OWNED CARS

The liability insurance carried by the Eureka County School District includes an endorsement which provides liability coverage for all school district employees, with prior written approval, while using their personal cars for school business. This coverage is limited to employees of the Eureka County School District. This liability coverage protects these individual operators of vehicles against liability for bodily damage done to others or property damage done to others. It does not cover property damage to property of the driver.
