

Eureka County Online School

Eureka County School District - Distance Education Program

Mark Martinsen, Director

#1 McCoy, Room D, Eureka, NV 89316 Ph: (775) 237-5373

Distance Education Enrollment

Enrollment is open only to Eureka County residents. To participate in distance education in Eureka County, a student must be enrolled in, and attend one of our schools.

Part-time distance ed students taking courses for credit recovery or acceleration must be enrolled in Eureka County High School, Eureka Elementary School, or Crescent Valley Elementary School.

Full-time students must be enrolled in Eureka County Online School (ECOS).

Adult students, pursuing the GED will also enroll in ECOS. ECOS does not offer high school classes, college classes, or other enrichment classes to adults not pursuing the GED.

Fees or Tuition

For Pre-school through 12th grade, there are no fees or tuition.

For adult students (19 years or older) returning to school after at least one year, there is a \$60 registration for a GED program which includes the GED study guide, courses, and the cost of the first attempt taking the GED test. The cost of retaking the GED test will be paid by the student.

Courses Available

ECOS provides the following *State Approved Distance Education Courses*

(Click on the program name to see an approved list of courses from the school. Click on the link URL to go to their website.)
